

NAMI PINELLAS ANNOUNCES FIRST COMMUNITY PARTNER

NAMI Pinellas County Florida is very proud to announce that **Windmoor Healthcare of Clearwater** is our first community partner, with a \$10,000 year-long commitment to support NAMI's education, support and advocacy.

Windmoor Healthcare is a progressive, fully accredited private behavioral healthcare facility. As a full-service psychiatric facility, they are an integral component of the Pinellas County continuum of mental health services. Offering

compassionate, quality mental health care in a safe environment, Windmoor's professional team assesses each individual and provides the appropriate treatment, restoring hope to their clients and families.

*The WIN Team—Windmoor Intervention Network—*provides free screenings to individuals with mental health and addiction problems. Community Resource Specialists assist with referrals to outpatient, inpatient hospitalization, halfway houses, recovery programs, alcohol/drug interventions and area homeless shelters. For more information, contact Windmoor at 727-541-2646. Programs include:

- *Addictions Treatment Program—ATP*
- *Crisis Stabilization Program*
- *Dual Diagnosis*
- *General Psychiatric Program*
- *Geri-Psych Program*
- *Partial Hospitalization Program*
