NAMI Board of Directors

- Serve a three-year term, with the opportunity to serve two consecutive terms if reelected;
- Understand and support NAMI's programs and public policies;
- Attend and participate fully in all Board meetings, Annual Conventions, and other organizational functions as well as dedicate time weekly to NAMI Board service;
- Be NAMI members in good standing; and,
- Make what the individual believes to be a significant financial contribution to NAMI, on an annual basis.

See the [NAMI Board's Open Letter](#) for a more complete discussion of the skills and expertise that are desired for NAMI Board service.

Candidate Visibility

The following opportunities will be provided for members to acquaint themselves with Board candidates to make as much pertinent information available about candidates as possible:

- **Candidate profiles** can be found at www.nami.org/2022candidates and include a photograph, a pre-recorded speech, the reasons the candidate came to NAMI and is running for the Board, the letter of nomination from the NAMI Affiliate or NAMI State Organization, and a summary of responses provided by the nominator to specific questions about the strengths the candidate will bring to the Board.
- **Live candidate speeches** will take place online in early June. While [NAMIcon 2022](#) will be held virtually, we will still provide all NAMI Board candidates the opportunity to make their "on-site" convention speeches which are typically held the first day of the convention. Please visit www.nami.org/2022Elections for more information towards the end of May.

NAMI 2022 Elections Information

NAMI conducts elections each year in conjunction with its Annual Meeting. Each NAMI Affiliate and NAMI State Organization in good standing is entitled to vote.

✓ **How Votes are Allocated:**

- Each Affiliate with 5 or more current, paid memberships in NAMI's database as of 70 days prior to the NAMI Annual Meeting is considered "in good standing" and eligible to vote.
- An Affiliate vote is weighted based on the number of active memberships they had as of that deadline. See chart at right for how vote weight is determined.
- All NAMI State Organizations have one vote, regardless of size.

# of memberships	= vote weight
5 - 50	1
51 - 100	2
101 - 200	3
201 - 300	4
301 - 400	5
401 - 500	6
501 - 600	7
601 - 700	8
701 - 800	9

What You Need to Do Now

- 1) **Read the materials online in their entirety.** You can find general information about NAMI elections at www.nami.org/voting and information specific to this year's elections at www.nami.org/2022elections. The 2022 NAMI Elections page includes links to information about the [candidates](#), the proposed [bylaws amendment](#), and all necessary voting documents and instructions.
- 2) **Decide who will be casting the online ballot for your organization.** Generally, the president or executive director casts the ballot for an affiliate or state organization. The leadership can instead grant that right to another individual by naming a delegate to cast the vote.
- 3) **Complete the credentialing process.** Fill out the Credential Form to tell NAMI who has been named the delegate to cast the ballot for your affiliate or state organization. NAMI staff will forward the delegate instructions so they can complete the voting process. The form can be found at <https://www.surveymonkey.com/r/2022-NAMI-Elections-Credential-Form>.
