

# 2022 NAMI Elections - Voting Information

1. Go to [www.electionsonline.com/vote](http://www.electionsonline.com/vote)

The screenshot shows a web browser at the URL [electionsonline.com/vote/](http://electionsonline.com/vote/). The page features a header with a network graphic and the SKYPUNCH TECHNOLOGY logo. Below the header, the section is titled "Voter Authentication".

**To access the ballot:**

1. Confirm you are not a robot and submit your email address through the field below.
2. If a match is found, an email is sent to that address with a link unique to you.
3. Click that link to access the ballot.

The form includes a reCAPTCHA "I'm not a robot" checkbox, a reCAPTCHA logo with "reCAPTCHA Privacy - Terms" text, an "Email:" input field, and a blue "Submit" button.

2. Check the box next to "I'm not a robot" and complete the verification as instructed.

The screenshot shows the same website with a CAPTCHA verification overlay. The overlay has a blue header with the text "Select all images with cars" and "Click verify once there are none left". A small image of a car is shown in the top right corner of the overlay.

The main page content is partially obscured by the overlay. The "Voter Authentication" section and the "I'm not a robot" checkbox are visible on the left. The "Email:" input field is also visible.

The CAPTCHA grid consists of nine images. The top-left image shows a car on a road. The top-right image shows a car on a road. The bottom-right image shows a car on a road. The other images are noisy or show different scenes.

At the bottom of the overlay, there are icons for a refresh button, a headset, and an information icon, followed by a blue "VERIFY" button.

3. Once you have completed the verification, enter your email address and click the **Submit** button.  
**NOTE:** Use the email address where you received the notification that you were the designated delegate for your NAMI State Organization or NAMI Affiliate. If you are unsure which email address to use, please contact [voting@nami.org](mailto:voting@nami.org) and NAMI Staff can assist you.
