Re: NAMI Alaska nomination of Dan Schuberth for the NAMI National Board

To Whom It May Concern:

The NAMI Alaska Board met today to consider the nomination of Dan Schuberth to serve on the NAMI National Board.

We considered his qualifications and experience, as well as his desire to make a difference by stepping up to serve on the NAMI National Board if he is elected.

We carefully considered his resume, and had a long discussion with him about his philosophy on serving on a national non-profit board. Dan has served on for-profit or nonprofit boards for other organizations, including NAMI Mercer for four years, the last as President. He has national level leadership experience over the course of his career, and currently serves as the Chief Business Development Officer for a national trade association.

The Board was impressed with Dan's passion for the NAMI mission, as well as his work experiences in his professional career. His background and expertise will serve NAMI National very well, especially in the areas of financial analysis and with his knowledge of the philanthropic community and track record in donor cultivation.

For all these reasons, we respectfully submit our nomination for Dan Schuberth as our nominee for the NAMI National Board.

Sincerely,

Richard Fagnant
President, NAMI Alaska
