Call to Order

The Chair called the special meeting of the NAMI Board of Directors to order on Tuesday, January 29, 2019 at 1:02 p.m. A quorum was declared present.

Having been notified of the agenda in advance, per Board Operating Policies and Procedures Section 6.1.3.4, the chair proceeded through the agenda.

Carlos Larrauri, Jackie Martinez and Stacey Owens joined the call after quorum was established.

Planning Committee: Strategic Planning Update

Carrie Roach, Vice Chair, Planning and Kelly Griffin updated the board of how the process has been moving forward with the Strategic Planning Steering Committee and Community Wealth Partners.

MOTION FROM COMMITTEE FOR BOARD ACTION, NO SECOND REQUIRED

Of the members in attendance at the time the vote was taken, the board unanimously approved the following language for the Strategic Plan Vision Statement:

“NAMI envisions a world where all persons affected by mental illness live healthy, fulfilling lives supported by a community that cares.”

Kelly Griffin discussed the process by which the Strategic Planning Steering Committee and the Planning Committee reached the framework and structure of how the strategic plan will be presented.

MOTION TO TAKE ACTION WITHOUT A COMMITTEE VOTE

Per the Board Ops, in order for the board to act upon the strategic plan structure in the absence of a
committee vote, a two-thirds majority of the board must agree to take up the questions. Per motion by Jim Hayes, second by Lacey Berumen, the board approved unanimously to entertain the action on the strategic plan framework.

Carrie Roach presented the framework for board consideration.

Upon motion by Joyce Campbell, second by Lacey Berumen, the board voted unanimously to approve the proposed structure and framework to include the NAMI Alliance Roles and Strategies for the 2020-2025 Strategic Plan.

Limited Extension Parameters
Susan Gaffney presented the board with a brief explanation of the two types of limited extensions proposed by staff and approved by the Governance Committee.

MOTION FROM COMMITTEE FOR BOARD ACTION, NO SECOND REQUIRED
The votes to approve the below listed recommendations as amended were unanimous of all members in attendance when the vote was taken.

1. Delegate assignment, deadline setting and correspondence responsibility to staff for all affiliates that have met the following “limited extension” criteria:
   a. Completed all re-affiliation requirements within affiliates direct control
   b. Provided evidence of progress, effort and timeframe in which requirements requiring action by a third party would be complete
   c. Secured the endorsement of their State Organization

2. Delegate assignment, deadline setting and correspondence responsibility to staff for all affiliates whose efforts toward re-affiliation have been categorized as “sloppy work” based on these criteria:
   a. Completed overwhelming majority of re-affiliation requirements
   b. Minimal work is needed to secure a staff recommendation for re-affiliation
   c. Work will be required either to (1) be complete by March 1st OR (2) meet the criteria for “limited extension” by March 1st in order to avoid termination

Affiliate Terminations
Susan Gaffney explained that the Dispute Reolution process has been started for termination. Mary Giliberti referred the request for termination of 22 affiliates to Adrienne Kennedy who moved the recommendation to Joyce Campbell, DRC Chair. Staff worked to get all the materials DRC needs to consider in order to bring a recommendation to begin official termination procedures to the board, but was not able to provide that documentation to Joyce in time for this board meeting. By the procedures, DRC has about 3 more weeks to make the determination. This means that the board will need to convene at another special meeting in February in order to vote to terminate the affiliates.

Upon motion by Joyce Campbell, second by Carrie Roach, board action on the terminations was tabled for a special meeting to be called at a later date by unanimous vote.

Executive Session
Upon motion by Carrie Roach, second by Shirley Holloway, the board moved into Executive Session

Upon motion by Lacey Berumen, second by Joyce Campbell, the board moved out of Executive Session at 3:11pm.

Adjournment:
Having no further business, the meeting adjourned at 3:12 p.m.

Respectfully submitted,
Dave Stafford, Secretary
