

Americans Want Congress to Protect Medicaid. Protect Mental Health.

7 in 10 Americans disagree that Medicaid funding should be cut to reduce government spending.

Nearly 4 in 5 say that Medicaid funding cuts would lead to worse health outcomes for low-income individuals and families.

85% of people support protecting federal Medicaid funding to help people access mental health care.

Nearly 8 in 10 believe that Medicaid saves lives by helping people access mental health care.

**Congress should listen to the American people and
vote against any cuts to Medicaid.**

PROTECT Medicaid.
Mental Health.

This NAMI-Ipsos poll was conducted March 21 – 23, 2025, by Ipsos using the probability-based KnowledgePanel®. This poll is based on a nationally representative probability sample of 2,049 general population adults age 18 or older. The survey has a margin of error of ± 2.2 percentage points.
